

# International Summer School

---

## Barcelona

## Your Summer Story Starts Here!

Every summer, EU Business School opens its doors for three weeks to bright young students from all over the world for an unforgettable summer school experience which packs business studies into a fun-filled summer in Barcelona.

Participants will have the unique opportunity to gain an insight into global business while connecting with people from different cultures and enjoying their summer break in the most vibrant city on the Mediterranean coast.

This program has been specifically designed for high school seniors, bachelor's students, recent university graduates and young professionals.

### Courses

Students will develop their communication and business skills through a dynamic range of activities including interactive classes, talks from guest speakers and visits to renowned companies in and around Barcelona. By the end of the three-week program, students will have an understanding of how companies work and a greater insight into business and innovation.

### Activities

Students will discover the best of Barcelona with our fun and interactive social program. They will get the chance to sample traditional tapas, marvel at Gaudí's masterpieces, visit FC Barcelona, wander through Barcelona's best-loved neighborhoods and explore nearby towns, among many other activities.

*"It's been the  
adventure of a  
lifetime, I'm never  
going to forget it!"*

Caroline Fox from Belize

## About EU

Established in 1973, EU Business School is an international, high-ranking, professionally accredited business school with campuses in Barcelona, Geneva, Montreux, Munich and Online. We offer programs at the foundation, bachelor's, master's and MBA levels, which focus on international business, marketing, communication, finance, tourism and leadership, among others.

In addition to small, dynamic classes in English, EU students enjoy a truly international environment. Our students come from over 100 countries around the world. This is reflected in our perfect score of 100/100 for diversity by QS Top MBA.

Through our global network of academic partners, students can earn state-recognized

degrees with the University of Derby in the U.K., the University of Roehampton in London and the Universidad Católica de Murcia. We also encourage students to participate in exchange opportunities with our partner institutions in some of the world's top cities including New York, London, Bangkok, Shanghai, Rio de Janeiro and Moscow, to name just a few.
